WHAT WE SUPPLY

Tires — All Classes
Light passenger, commercial & heavy-duty truck, transit bus, OTR/earthmover, agricultural, and construction.

Tire Tools & Repair
Tire repair products, TPMS tools & sensors, balancing supplies, and tire service equipment.

Shop & Lifting Equipment
Lifts, jacks, compressors, and durable shop equipment for maintenance facilities.

Hand & Diagnostic Tools
Hand tools, air tools, battery & electrical, and diagnostic equipment from national brands.

Oil, Lube & Fluids
Oil, lube, and fuel-related products plus parts, accessories, and consumables.

Bulk & Contract Supply
Cost-effective bulk procurement with tailored plans for fleets, agencies, and contractors.

WHY PARTNER WITH EMPOWER

- ESB, DBE, SBE, WOSB, and WOB certified — helps agencies and institutions meet supplier-diversity, DBE, and small-business participation goals.
- Public-sector ready — experienced with government, transit, and institutional procurement processes.
- 50+ national manufacturer relationships — broad product access and competitive, consistent pricing.
- Built for fleets — focused on reducing downtime and keeping vehicles and equipment in service.
- Responsive, relationship-driven service — a single accountable partner across tires, tools, and equipment.

TRUSTED BY

Serving leading transit agencies, mobility providers, and institutions across Colorado:

Transdev | **Via Mobility** | **University of Colorado** | **RTD Denver** | **Denver Int'l Airport**

A PROVEN PUBLIC-SECTOR PARTNER

Empower Tire & Tools supports transit agencies, municipalities, institutions, and fleet operators with dependable supply and responsive service. We understand public procurement, supplier-diversity requirements, and the operational demands of keeping vehicles and equipment in service.
